

## BAF IMPORT REQUIREMENTS FOR PERSONAL IMPORT OF SHELF STABLE NUTRITIONAL SUPPLEMENTS, INFANT FORMULA, CONDENSED MILK AND EVAPORATED MILK FROM SELECTIVE COUNTRIES

### Warning:

**Biosecurity is your responsibility. Heavy Penalties apply. If in doubt, declare it.**

Biosecurity Authority of Fiji (BAF) has reviewed the import of shelf stable nutritional supplements, infant formula, evaporated milk and condensed milk **only for personal consumption** from selective countries into Fiji. Restriction will remain for the importation of other dairy products from any country into Fiji.

Shelf-stable food is food of a type that can be safely stored at room temperature in a sealed container. This includes foods that would normally be refrigerated but which have been processed so that they can be safely stored at room or ambient temperature for a long shelf life.

### Selected country list

Australia New Zealand		EU Countries: Denmark Belgium France Germany		Italy Netherlands UK Switzerland		USA Canada	
--------------------------	---	--	---	---	---	---------------	---
