

AMENDMENT TO BAF'S IMPORT REQUIREMENTS FOR PERSONAL IMPORT OF SHELF STABLE NUTRITIONAL SUPPLEMENTS, INFANT FORMULA, CONDENSED MILK AND EVAPORATED MILK

Warning:

Biosecurity is your responsibility. Heavy Penalties apply. If in doubt, declare it.

Biosecurity Authority of Fiji (BAF) has reviewed the import of shelf stable nutritional supplements, infant formula and condensed milk for personal consumption from selective countries into Fiji. Restrictions will remain for importation of other dairy products from any country into Fiji.

Shelf-stable food is food that can be safely stored at room temperature in a sealed container. This includes foods that would normally be refrigerated but which have been processed so that they can be safely stored at room or ambient temperature for a long shelf life.
